MUHAMMAD JUNAID

SOFTWARE DEVELOPER AND PROBLEM SOLVER

ABOUT ME

Being motivated and hardworking, I have a strong enthusiasm for the software development sector. I am in the final year of my BS Computer Sciences at the National University of Computer and Emerging Sciences in Lahore. I have good communication skills, allowing me to effectively communicate with a diverse range of people. I am looking for a part-time job in the sector where I can put my expertise and skills to use, thereby helping the organization's operations.
